

Paper Star Pro

The Paper Star Pro is a fireproof document safe with EN 1143-1 Grade 1 burglary certification and a 60-minute fire rating for paper. Six sizes run from 64 to 595 litres, holding 7 to 70 lever-arch binders — the largest binder capacity in the Paper Star range. Every Paper Star Pro is independently tested for burglary resistance to EN 1143-1 and certified by VdS in Germany. The 60-minute rating protects paper documents; data media are damaged at far lower temperatures, so backups belong in a data-rated safe.
